

I've Got a List

Dear Santa
It's Christmas Eve Santa's 'bout to leave
On his yearly Christmas whirl
Up, up and away with his magic sleigh
Toys for every boy and girl

It's a special night before he takes his flight
Ya see, I've got to set him right,
Cause I've got a list!
Yeah, I've got a list!

I sent a tweet that was very sweet
But got lost in cyberspace
Oh, I'm so perplexed how he missed my text
Gotta see him face to face

I am very late
How I procrastinate
But I just must communicate
Cause I've got a list!
Yeah, I've got a list!

I friended him on Facebook
I read every Twitter too
We're linked together forever
So I know that he'll come through

My list is short because I'm not the sort
To go ask for everything
I've always tried to be satisfied
With anything you bring

We know you're the most
You fly from coast to coast
Dear Santa, won't you read my post
Cause I've got a list!
Yeah, I've got a list!

Solo:

Now Santa knows my status
And he checked it once then twice
But up there in the stratosphere
Can he see that I've been nice?
Dear Santa (5x)

My list is short because I'm not the sort
To go ask for everything
I've always tried to be satisfied
With anything you bring

We know you're the most
You fly from coast to coast
Dear Santa, won't you read my post
Cause I've got a list!
Yeah, I've got a list!

Now I know that you exist
Cause I saw you in the mist
And I'm trying to resist
But I think I must persist

Cause oh, Dear Santa
I've got a list!

Getting Away For Christmas

Surfing the net in December
Kayak, or Travelocity
Surfing the net in December
Looking at a cruise for my family

This season's really getting to me
I've got to get away somehow!
I'm trading my miles and we'll head to the Isles
Feel the tropical breezes right now

We're getting away for Christmas
Hey, Santa, what do you say?
We're getting away for Christmas
Come on, Santa, take us away

There'll be no mistletoe and holly,
We'll be flat on a beach in Bali
And we'll be getting away
Getting away for Christmas!

Making a bid now on Priceline
Gonna have some island fun
Making a bid now on Priceline
Whatever it costs, we gotta get some sun

We're going to swim with a dolphin
Catch some rays on the snow white sand
I'll call Triple A cause we're not gonna stay
Won't come home 'til we're toned and tan

We're getting away for Christmas
Hey, Santa, what do you say?
We're getting away for Christmas
Come on, Santa, take us away

There'll be no mistletoe and holly,
We'll be flat on a beach in Bali
And we'll be getting away
Getting away for Christmas!

The pressure's driving me insane
Priceline, put us on a plane
We won't wait til Christmas Day
I bought a cruise right on Ebay!

Dance the Limbo!

We're getting away for Christmas,
Santa what do you say? (Santa what do you say?)
We're getting away for Christmas
Come on, Santa, take us away. (Please take us away)

There'll be no mistletoe and holly,
We'll be flat on a beach in Bali
And we'll be getting away
Getting away for Christmas!

Getting away, getting away
For Christmas!
We're getting away!

A Puppy For Christmas

Non-puppies:

Oh S-A-N-T-A don't L-O-L at me
But I want something special under my tree
Oh, B-T-double U, I know you'll really try
All I want for Christmas is a P-U-P-P-Y

I want a puppy for Christmas
Man's best friend all of my own
To love and to care for
And always be there for
That's all I want for Christmas

Puppies:

Oh, give me a home
Where the puppies can roam
With a slipper or two I can chew
I won't be a pest I will give it my best
Santa Claus we are all begging you

I want a home for Christmas
A place I can call my own
To love and to care for
And always be there for
That's all I want for Christmas

Holiday Dance Revolution

Grandma:

The halls are decked with holly
Bright lights on the tree
Filled with joy and jolly
And singing merrily

Grandpa:

But after three pounds of fruitcake
Cookies and candy galore
It's time for a holiday workout
Everybody on the floor

Let's have a holiday dance revolution
Kick up a holiday storm
If your heart is cold as ice
A dance will keep you warm

Let's have a holiday dance revolution
Groove to a holiday song
Bring your friends and neighbors and party
Party all night long

Up on the housetop reindeer pause
Out jumps good old Santa Claus
Down through the chimney with lots of toys
All for the little ones Christmas joys

Ho ho ho, go! (2x)

Up on the housetop click, click, click
Down through the chimney with good Saint Nick

(LINES)

Jolly Old Saint Nicholas lean your ear this way
Don't you tell a single soul what I'm going to say
Christmas Eve is coming soon now you dear old man
Whisper what you'll bring to me, tell me if you can, tell me if you can

(LINES)

Dashing through the snow in a one horse open sleigh
Over the fields we go, laughing all the way
Bells on bobtail ring, making spirits bright
What fun it is to ride and sing a sleighing song tonight

Oh, jingle bells, disco jingle bells
Jingle all the way
Oh what fun it is to ride in a one horse open sleigh, hey!

Jingle bells, disco jingle bells
Jingle all the way
Oh what fun it is to ride in a one horse open sleigh

Let's have a holiday dance revolution
Kick up a holiday storm
If your heart is cold as ice, a dance will keep you warm

All night long (2x)

All:
Let's Dance!

Sincerely, Christmas

Molly:

Harmony, and happiness
For every living thing
Children spreading joy and love
With carols that they sing

People showing that they care
And spreading Christmas cheer
That's what I dream of, sincerely

ALL:

Maybe we could look around
And notice folks in need
Everyone could find a way
To do a kindly deed

No one has to be alone
Or live a life in fear
That's what I long for, sincerely
This Christmas

Noel, noel, noel
(sing we noel)
Sing out loud and clear
(loud and clear)

Bring a world with Christmas love
This is all that I want for Christmas

All I want is everyone to love and do what's right
Pray for peace and harmony upon this silent night
Families together now from far and some from near
That's what I wish for sincerely,
This Christmas

Noel, noel, noel
(sing we noel)
Sing out loud and clear
(loud and clear)

Bring a world with Christmas love

This is all that I want for Christmas

Molly:

One more thing, dear Santa Claus
For whatever it is worth
I want to ask if I could help
Spread love and peace on Earth

I know it's a lot to ask but, dear Santa dear
That's what I dream of, that's what I long for,
That is what I wish for sincerely
This Christmas

Oooo
